Item No 20

Memo.

The D. F. Board Trench Rocks Circle proposed, in their Proc of 12/2/01, the transfer to Provincial funds of the following roads costing Rs 8450 per annum

(1) Maddur Sevasamudram Road } 2900

2) Seringapatam Channapatna road } 5550

8450

and omitted. As the usual provisions for the same as well as for 4 other D. F roads costing annually Rs 14665/-

(2) The 2nd Councillor to whom the Council statement was submitted, directed further investigation being made before the Budget could be passed.

(3) In reply to the information ~~accordingly~~ called for the Chief Engr states that ~~accordingly~~ of the 3 road (Board proposed only 2) the 3rd road Trench Rocks circle Station Road Rs 4375, which the Board did not propose to transfer

transferred to Provincial
funds, a proportionate
reduction will have to be
made in the grant for
original works, which is
very small. He therefore
recommends the grant as a special case
from "Local Funds Gl"
of at least Rs 12,825 required
for the three roads, ~~as a~~
~~grant~~ as a temporary arrange-
ment till such time as the
Board is able to provide
for them from D.-F. or till
they can be transferred
to Provincial funds, which
may be possible after
the present financial
pressure is over.

4 The Chief Engr
adds that it is absolutely necessary
to provide for the other D F
roads also, otherwise they
will deteriorate.

5 The amount required
is Rs 23,115 in the current year
(1 part of roads proposed to be
transferred to Provincial Rs 4,450
2 Dr roads for which proper

6. If as proposed by the Chief Engineer, the cost of maintaining the 3 Roads referred to by him, viz Rs 12,825/ is sanctioned from Local Funds General, the sum of Rs 4,375/ allotted by the Board for repairing French Rocks Station - Nelliyoor Road would become available for the other 9 Roads, (the maintenance cost of which is Rs 14665/ for which no provision is made in the Budget) for which additional Grant of Rs 10290/ will have to be made in order that the roads may not, as observed by the Chief Engineer, deteriorate & require a heavy outlay to bring them into order. The total grant now req from Local Funds General

Rs 23,000/- in round figures.

The question of the grant-in-aid of Rs 40,000/- applied for by the Board is said to be before the 1st Councillors' Committee meeting.

Sir,

With reference to para 5 of Government order No. 15-27 / L-75-1901 of the 18th July 1901 and para. (S. C. No. 4-7)
2 of Government order No. 436-39 / L-7171-93 of the (S. C. No. 1)
11th July 1901, regarding the mileage allotment for the District Fund roads, I have the honor to submit herewith an extract from the proceedings of the District Fund Board of the French Rocks Circle at a meeting held on the 6th August 1901, re-distributing the mileage allotment among all the roads in the Sub Division as per enclosed statement. The Board further propose to raise the provision under 'A. IV. Tools and plant' from Rs 50 to Rs 92. I request the sanction of Government

Government may be obtained to the above proposals.

Proceedings of the District Fund Board of the Tirunelveli Revenue circle passed at a meeting held on Tuesday the 6th August 1901.

2 Read Government Proceedings No. $\frac{15 \cdot 27}{27\ 5 \cdot 1901}$ dated 18th July 1901 Sanctioning the District Fund Budget estimates of this circle for the year 1901-1902 also Government Proceedings No $\frac{436 \cdot 39}{27\ 171 \cdot 93}$ dated 11th July 1901 Sanctioning the transfer of Madura Tirunelveli road from District to Provincial Funds.

Referring to the concluding portion of para 4 of Proceedings No $\frac{15 \cdot 27}{27\ 5 \cdot 1901}$ dated 18th July 1901 it is observed that Government suggest curtailments of allotments for certain roads in order to make some provision for other roads for which no amount was allotted in the original Budget owing

owing to severe financial pressure.

The Board are of opinion that the reduction of allotment as proposed is not desirable in the case of some roads which are feeders to the Railway or on which there is comparatively heavy traffic. As Government have been pleased in their Proceedings No: 436-39 / 4-7 171-93 dated 11th May 1904 to transfer to provincial funds Madoor Sivasamudram road, a sum of Rs. 2900 provided therefor is set free, thus becoming available for utilization on other roads.

Resolved therefore that the allotment be modified as per details given in the annexed Statement.

It is also observed that the amount provided for Tools and Plant, viz Rs 50 is not in due proportion to the total sanctioned expenditure calculated at 1½ per cent. A variation in the figure is necessitated by the modifications

above mentioned Resolved that Rs 92
be provided under this head in place of
Rs 50 and the Government be request
Kindly to sanction the additional
expenditure of Rs 42 involved in the
proposal by permitting the reduction
of the closing balance at the end of
the year by that sum.

Order thereon No 11405 99/1/1902

Recorded with the observation that the sum of Rs 4-1-4 referred to will be transferred from the head "V. Cess on Toll Revenue" to "IV Ferry collection" in the Budget Statement of the F. R. D. F Accts for 1901-1902

The accounts for 1899-1900 were closed so long ago that it is doubtful how the amount could now be transferred to the Budget Statement for 1901-1902.

Besides it was revenue either under Tolls or Ferry contract and as such, no transfer seems necessary.

May be transferred in the current year Budget Statement and not in the accounts of 1899-1900 which were closed long ago.

Resubmitted. The offer proposes correction in the current year Budget Statement which will be done by the Dy: Comr's office
